**Bolcom Commission Countdown – Still “Creating a Future”**

Those of you who were around twenty years ago may recall the chapter making the somewhat risky decision to host a regional convention. Our small but dedicated band pulled off a highly successful Region V Convention in 1997. The slogan for the convention, arrived at after much deliberation, was **“Treasuring the Past – Creating a Future.”** The Evansville AGO has remained true to that dual focus in its programming since 1997. Every year there is a members’ recital featuring a notable historic instrument, and every year there is at least one educational event geared to young people, introducing them to the “King of Instruments” and encouraging organ study. Our Pipe Organ Encounter Advanced in 2009 was another monumental effort, with eighteen teenagers converging on Evansville for an intense week of lessons, concerts, and fun!

Fast forward to 2015, and we are just days away from another major event. The concert on April 10 by **Douglas Reed** and the **American Brass Quintet**, featuring the world premiere of a new piece by **William Bolcom**, honors Doug’s forty-year career in organ performance and teaching. We are recognizing his leadership and service to our community and profession in a tangible, lasting way. *Fantasia* for organ and brass is an investment in the future of the pipe organ for those who will play the piece – and those who will hear and enjoy it – long after we are all gone. In addition, the ABQ will be leading workshops with students in the Evansville-Vanderburgh School Corporation and the Evansville

Philharmonic Youth Orchestra while they are here. This collaborative endeavor promises to inspire many more of our talented young people. As chapter dean, I couldn't be more delighted and proud!

**Meet & Greet** – A special opportunity to meet our performers and composer is planned for **Thursday April 9, at 7:00 pm, at Kirby's Private Dining - 1119 Parrett St., Evansville, Indiana 47713**. This reception is the chapter's final fundraising effort. You should receive an invitation in the mail in the next few days; please plan to attend!

### **March Meeting: Bach-a-Thon**

Thank you to everyone who helped to make our Bach-a-Thon Fundraiser a success! A total of sixteen performers played music of J. S. Bach for three hours on the organ, piano, violin, cello, and French horn! We raised some money for the Dufford Scholarship Fund, but more importantly we made some friends for the chapter and for the organ! There are just three T-shirts left. Please email Henry Maurer if you would like one, [henry.maurer@gmail.com](mailto:henry.maurer@gmail.com)
