**Newsletter: September 2015**

**September Meeting: Choral Workshop with Dr. Dennis Malfatti**  
**Old North United Methodist Church**  
**4201 Stringtown Rd. Evansville**

Mark your calendars now for **Monday, September 21, 2015 at 7:30 PM**. Dennis Malfatti, Director of Choral Activities at the University of Evansville and Director of Music at Eastminster Presbyterian Church, will present a workshop which will be valuable to choral directors, singers, and everyone tasked with leading music in worship! Dr. Malfatti's presentation will cover basic pointers about working with a small church choir -- recruiting, scheduling, warmups, fundamentals of vocal health -- and will also include a brief reading session featuring a variety of anthems that are attractive, challenging, but not too difficult for amateur singers. All are welcome. This would be a great time to invite members of your choir or congregation to come and learn about the AGO and its programs for the community.

**August 2015 Chapter Meeting – Summer Social**

We had a great turnout on August 28 at St. Margaret's Chapel in Henderson. Thanks to **Neal Biggers** for making the arrangements and also for leading the prayer service that concluded the evening. It was wonderful to hear about all our members' activities over the summer. This chapter is full of very busy and dedicated people. It was also wonderful to hear our two youngest members, **Nolan Snyder** and **Jonathan Hauke**, playing the reed organ for the service. Nolan, who attended the Valparaiso POE with support from the chapter's Dufford Scholarship Fund, wrote a note to the chapter which reads as follows:

"I would like to thank the chapter for providing the scholarship for me to attend the Valparaiso University Pipe Organ Encounter. I really enjoyed my time there, and it was great seeing people my age as enthusiastic about the organ. Having one-on-one time with an organist was really beneficial to me, and I hope to continue my organ studies. I met many faculty from different universities with music programs and it has led me to discover that this may be something that I wish to continue studying all the way through college."

You are welcome, Nolan. The future of the organ in southwestern Indiana is looking very bright indeed!

**Help Needed – Pedals Pipes and Pizza, Owensboro**

**James Wells** is heading up the committee working on this event at First Presbyterian Church on October 24. We need help in getting the word out to teachers, parents, and grandparents who might know of young people (especially in Kentucky) who might enjoy this program. Participants must be at least 10 years old and should have some experience with the piano. Adult observers are also welcome! The link to the application form is on our web site, [www.evansvilleago.org](http://www.evansvilleago.org).

## Chapter Leadership Notes

Thank you – to **Tammy Gieselman** for serving on the Executive Committee for the past two years. We have benefited from your energy and creative thinking! Thank you also to **Mark X. Hatfield**, who has agreed to serve the remainder of Tammy's three-year at large term. The chapter still needs an Education/Scholarship person and a Membership Coordinator. Please get in touch if either of these sounds like something you would like to do!
