### THE CHARGE!

During our installation of officers on May 7, the Rev. Dr. Tammy Gieselman challenged us all to be open to the spirit of music touching us and others in unexpected ways, whether through a talented street musician playing in a busy public space, in an unusual combination of instruments in a chapel service, or in our daily tasks of playing, planning and teaching. We are fortunate to have Tammy, Chaplain at the University of Evansville and an appreciator of organ music, as a member of our chapter.

# Recital and Dinner in Honor of Dr. Douglas Reed's Teaching Career

April 22, 2012

Our chapter was privileged to honor Dr. Douglas Reed and his distinguished university teaching career with a recital at First Presbyterian Church on a Sunday afternoon in April, followed by an elegant dinner at Just Rennie's in downtown Evansville. Performing were former students Douglas O'Neill, Kirk Rich and Michael Salazar, and current student Rachel Bennett. Members of Doug's family, students, teachers, colleagues and friends from around the country attended. Thanks to Robert Nicholls, with help from Carolyn Howard, Helen Reed, and the staff at First Presbyterian, for making this event possible.

## EVANSVILLE CHAPTER COMMISSIONING MAJOR COMPOSITION!

In connection with the event honoring Douglas Reed (above), the Evansville Chapter voted at its chapter meeting in May to commission a major musical composition by William Bolcom. Bolcom, a National Medal of Arts, Pulitzer Prize, and Grammy Award-winner is an American composer of chamber, operatic, vocal, choral, cabaret, ragtime, and symphonic music. Many organists are most familiar with his set of Gospel Preludes for solo organ, based on familiar hymn tunes. The commissioned piece will be composed for organ and brass ensemble, and will be premiered in Evansville by the Canadian Brass and Douglas Reed. This is a long-term project, with the projected premier at least a couple of years from now. Robert Nicholls has

agreed to coordinate the arrangements and fundraising for this project, and to involve as many people and organizations as possible in making this a major artistic and educational experience for our community and beyond. You can go to [williambolcom.com](http://williambolcom.com) for more about William Bolcom.
